

VIKLA AND JACOB'S BREW

Vikla is a local vegan business, providing down-to-earth vegan meals. These belly hug meals do not harm any animals and because we use seasonal produce, they have a low impact on our environment.

We are collaborating with Jacob's Brew because we believe in the 'pay it forward' concept and want our business to support it.

Bakes and Cakes can be ordered from Jacob's Brew or by emailing info@vikla.mt or what's app on 79927781

Take a break from cooking, come and have a cuppa and pick up your order
